

BURGEE EXCHANGE PROCEDURES

Burgees are available for members to exchange with other yacht clubs. Before you travel, please review the [list of burgees that have already been exchanged](#) in order to avoid duplication.

Burgees may be picked up at the BTC office during normal working hours. Please contact me at 831-333-6801 if you cannot find what you need.

Use one of the 3x5 cards in the box to note your name, date and number of burgees that you have taken.

Have a photo taken of the exchange(s.) Upon your return, send a copy of the photo(s) to our [Webmaster LeBon Abercrombie](#) for posting on our website.

Return any unused burgees and the newly-acquired burgee(s) in the box for my pickup and installation in "**CHARLIE'S PLACE**" (also known as the *Boathouse*.)

Thank you,
